

The **Tiffany Circle**, Society of Women Leaders of the American Red Cross is an exciting new initiative where your philanthropic donation is applied locally and recognized nationally.

Tiffany circle members are asked to invest \$10,000 annually in their local community chapter, a gift separate and distinct from other gifts that they might have made to the Red Cross.

The Tiffany Circle was named in honor of the magnificent Tiffany stained glass windows in the Board of Governors Hall at the Red Cross Building in Washington, D.C. These windows were commissioned in 1917 by the "ladies of the North and the ladies of the South" as a symbol of peace and good will.

Ways to Support Your Red Cross

Change a life, starting with your own!

American Red Cross
Riverside County Chapter

Be a part of a life-changing experience. When emergencies strike, lives can suddenly take a different path. When you rise to meet the challenge, as a volunteer and as a donor, everyone's life begins changing for the better—including your own.

The American Red Cross, a humanitarian organization led by volunteers and guided by its congressional charter and the fundamental

principles of the International Red Cross Movement, will provide relief to victims of disasters and help

people prevent, prepare for and respond to emergencies.

In all our work, we are guided by the seven fundamental principles of the International Red Cross Movement: Humanity, Impartiality, Voluntary Service, Neutrality, Independence, Universality, and Unity.

The American Red Cross Riverside County Chapter is an independent, non-profit organization that relies on the generosity of the American people for its financial support. We are not a government agency; voluntary contributions are the key to our ability to respond when help can't wait.
